Dear Mr. Stoddart,

Thank you joining our assembly online. I liked your creativity in your sculptures. Dyslexia has affected me severely and I find it cool that you use your dyslexia to create your pieces. You did a wonderful job and I learned a lot.

Dear Mr. Stoddart,

Thank you so much for showing your artwork to all of us at The Odyssey School. I thought it was so impressive and couldn't even imagine how much hard work you must have put into it. Hope to see you in person someday!

Love,

Dear Mark Stoddart,

Thank you for joining the zoom to show Odyssey your amazing art sculptures. It inspired me to do what I believe in. One of my favorite pieces was when you incorporated the animals into the glass for a tabel.

Sincerely,

Dear Mr. Stoddart,

Thank you! I really loved all of the bronze sculptures that you made and we saw during assembly and workshop this week. The rhino I drew reminds me of one of your pieces.
